RE: C00555961 – Cramer for Congress

Dear Vicki:

This letter is in response to our telephone conversation yesterday, August 4, 2014. You requested that I notify you in writing concerning my problem currently with my FEC software and the inability of being able to upload my reports to you amending the reports for Cramer for Congress showing that the candidate, Robert Cramer's loans to the committee were from his personal funds.

As it stands now, I am going to talk with Tech Services today and uninstall my FEC program and reinstall it from the FEC website and hopefully fix the problem.

Thank you for your patience in waiting for these reports.

Sincerely,

Patti Byrd
Legal Assistant
